*STEP 3: SELECT A RADIO BUTTON. What form did you file that resulted in the Office action you are now responding to?

- Combined Declaration of Use and Incontestability under Sections 8 & 15
- Declaration of Use and/or Excusable Nonuse under Section 8
- Combined Declaration of Use and/or Excusable Nonuse/Application for Renewal under Sections 8 & 9
- ^O Declaration of Incontestability under Section 15
- [©] Section 7 Request for Amendment or Correction of Registration Certificate
- ^O Surrender of Registration for Cancellation
- ^C Request to Divide Registration

STEP 4: ANSWER ALL WIZARD QUESTIONS.

Review the Office action and then answer "Yes" to any question that directly relates to a requirement and/or refusal raised in the Office action. You must respond explicitly to each refusal and/or requirement and enter the responses in the proper place in the form. At least one answer to the questions below must be "Yes."

A RESPONSE WITH ONLY YOUR SIGNATURE IS NOT ACCEPTABLE. Merely providing a response with a signature and no other information, or authorizing the post registration examiner to make any necessary changes to the filing/record *without specifying the exact changes*, is not a proper response to the post registration action (except if the only issue raised was that the original filing was unsigned, improperly signed, or lacked the required declaration language).

1. Do you need to respond to a refusal to accept/acknowledge/grant your post-registration filing for any of the following reasons (but not limited to):

- Ownership of the registration/chain of title
- Submitting arguments in support of accepting specimen(s) already of record*
- Use of the mark
- Listing of goods/services
- Submitting arguments in support of accepting proof of use already of record**
- The goods/services/the nature of the collective membership organization covered by your Section 15 declaration
- Decision or proceeding involving rights in the mark
- Declaration and signature (filing unsigned, date of execution omitted, date of execution early/late)
- Additional fees

NOTES:

(1) If ownership has changed and you would like Office records updated to reflect the change in ownership, you must record appropriate documents with the Assignment Recordation Branch. Otherwise, you may provide a detailed explanation of the change and supporting documents with your response.

(2) To correct a mistake in the maintenance filing, you must explain the nature of the mistake. A post registration examiner will review your response to determine if the mistake can be corrected.

(3) To correct a mistake in the current owner's information, you must file a Section 7 request.

*NOTE: To submit a "substitute specimen" to overcome a refusal, also answer "Yes" to #2. ****NOTE**: To submit "proof of use" in response to a Proof of Use Audit, also answer "Yes" to #3.

2. Do you need to do any of the following:

- Delete goods, services, or an existing class*
- Modify the identification of goods/services/the nature of the collective membership organization **
- Submit new or substitute specimen or verify a previously submitted specimen*** •

*NOTE: To change an existing class number, you must file a Section 7 Request.

** NOTE: Only modifications to correct obvious typographical errors or to delete goods/services/classes in the identification of goods/services/the nature of the collective membership organization are permitted without a Section 7 Request. Other changes, including to clarify or limit the goods/services/the nature of the collective membership organization, require a Section 7 Request. Adding to or broadening the scope of the goods/services/nature of the collective membership organization is **not** permitted.

***NOTE: This is for the submission of substitute specimens. You should not select this if you are responding to a Proof of Use Audit unless you also need to submit a new or substitute specimen. If you are responding to a Proof of Use Audit, answer "Yes" to #3.

3. Do you need to respond to a **Proof of Use Audit**?

4. Do you need to submit an additional statement(s)?

- Additional statements for Certification, Collective, and Collective Membership Marks (if applicable)*
- Miscellaneous statement**

*NOTE: You may only access the Certification, Collective, and Collective Membership mark statements if your registration is for one of those mark types. **NOTE: The miscellaneous statement field includes the ability to attach a file. Do not use this section for attachments where a specific different section for the purpose already exists, for example, submission of a substitute specimen in #2, above.

5. Do you need to update the owner's/holder's mailing address, email address, phone or fax number(s)?

NOTE: The email address of the trademark owner/holder is the Primary Email Address for Correspondence if an attorney is NOT appointed. Secondary Email Address(es) for courtesy copies can be provided.

NOTE: The mailing address is presumed to be the owner's/holder's domicile address. To provide a domicile address that is NOT the same as the mailing address, use the Change Address or Representation form.

○ Yes [●] No

6. Is a newly appearing U.S.-licensed attorney filing this form or do you need to update the bar information, email address, street address, phone or fax number for an already appointed attorney?

NOTE: The USPTO considers powers of attorney to end upon: (1) the date of registration; or (2) the final acceptance or denial of a post-registration maintenance filing. Therefore, if you answer YES to this question and file this form, the USPTO will presume that you are the owner's/holder's attorney. This filing will automatically update the "Attorney of Record" and the "Correspondence Address" data fields in the USPTO's Trademark Status & Document Retrieval (TSDR) system. After submission of this form, it is not necessary to file a separate Change Address or Representation (CAR) form if the owner/holder was previously unrepresented. Once the USPTO recognizes an attorney with respect to the submission of a post-registration maintenance filing, such as an affidavit/declaration under Section 8, an application for renewal under Section 9, etc., the USPTO will recognize only that attorney for all submissions related to that filing, such as responses to Office actions, petitions, etc., unless and until the owner/holder revokes and appoints a new power of attorney or the filing is completely resolved (e.g., by acceptance, renewal, or abandonment).

Foreign-domiciled owners/holders must have a U.S.-licensed attorney represent them before the USPTO in any application or registration-related filing. Information about hiring a U.S.licensed attorney can be found on the USPTO website.

○ Yes [●] No

7. Do you need to submit a fee for: (1) an existing class of goods/services/a collective membership organization; (2) a deficient declaration; (3) a grace period surcharge; and/or (4) processing a payment that has been refused or charged back?

STEP 5: ACCESS ACTUAL RESPONSE FORM.

Click on the "Continue" button below to access the response form for entering your information.

ARGUMENT(S)

Should you wish to present your argument as a PDF attachment rather than as direct text entry, you may do so within the "Evidence Section," below.

Enter argument as direct text entry here:

Entering your argument(s)

- 1. In the free-text area below, enter your argument(s). You may either type directly into the box, or cut-and-paste from another document into this box.
- 2. If your browser version supports the enhanced functionality of this section, you can format your entry, using the various editing keys displayed above the text entry area (for font, size, color, bold, italics, etc.). Do NOT include any html or other programming code or language that may create links within the argument section.
- 3. If no editing keys are displayed above the text entry box, then your current browser version does not support the enhanced text-editing functionality. You may wish to upgrade to a higher browser level. You may still use the box for entry of your argument(s), but no formatting beyond conventional spacing will be possible. Again, do NOT include any html or other programming code or language that may create links within the argument section.
- 4. When you have completed entry of your entire argument(s), click on the "Save and Return to Form" button, above the text entry box. Do not use the "X" button within the browser to close the window, as this may delete all entered information. The form will retain any formatting you have used, viewable through the icons on the Validation page upon completion and validation of this form.
- 5. At the point of final validation, it is critical to confirm that all information is displayed properly immediately before filing, *regardless* of the appearance of the data at any point earlier in the process. If any previously-entered argument text or files (e.g., evidence) are now missing, you must re-enter or re-attach before final submission. Otherwise, the USPTO will not receive a complete response, e.g., if you initially pasted text into the argument field, but the argument section is now blank, you must paste it in again after final validation but before actual submission of the response, or the USPTO will not receive that text at all.

When you have completed entry of your entire argument(s) below, click on this button. Do not use the "X" button within the browser to close the window, as this may delete all entered information.

Use this form to: (1) delete goods and services; (2) delete an entire class; or (3) correct obvious typographical errors; but never to add to or broaden the goods/services/nature of the collective membership organization.

Registration Subject to Cancellation for Fraudulent Statements

Statements made in filings to the USPTO must be accurate; inaccuracies could result in the cancellation of a trademark registration. Lack of use on **all** goods/services for which use is claimed in a post-registration filing with the USPTO could jeopardize the validity of the registration and result in its cancellation.
